

# Call for Session Chairs

## 2025 Danube Cup

### Research Conference

**Call deadline: 15 Nov. 2024, 11:59 p.m.**

**Conference theme:**

**Entrepreneurship Research  
from a Small Business Perspective**

Danube Cup was established in 2016 with the aim of creating an international network of universities along the Danube to enhance cooperation in the field of entrepreneurship education. The Danube Cup Research Pillar was launched in Budapest in 2022, with the main mission of supporting the dissemination of best practices and quality research in the entrepreneurship education topic area in the Danube region. At the 2<sup>nd</sup> Danube Cup Conference in Belgrade (Serbia), a wide range of presentations showcased the latest innovations and achievements in entrepreneurship education and research.

In preparation for the 2025 Danube Cup Conference, the Organising Committee is seeking for volunteer academics and senior researchers from the entrepreneurship educator and researcher community who are willing to lead the programming of disciplinary tracks and support the local host, i.e. Széchenyi István University / Győr (Hungary).

These Session Chairs will have the following roles and responsibilities:

- Design, organise, and lead the 2025 Danube Cup Conference sessions;
- Help recruiting participants for the session;
- Preselect submissions for the session and identify relevant, competent and engaged peer reviewers;
- Propose publication options for the author(s) of the submissions;
- Advise and support the Organising Committee with the overall programme of the 2025 Danube Cup Conference;
- Promote the Danube Cup 2025 Conference among colleagues and professional networks.

If you are interested in our call for Session Chairs, please send your application by providing the following information:

- Name, position, area or expertise and contact details
- Proposal of a focus topic that fits the overall aims of the 2025 Danube Cup Conference
- Max. 1 page description of the theme of the session with a list of about 5 references
